Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

LEARN GUITAR: HOW TO UNLOCK THE ENTIRE GUITAR FRETBOARD AND PLAY IN ANY KEY OR MODE USING ONE SCALE SHAPE

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Play In Any Key, Any Mode, Anywhere On The Fretboard With A Single Scale Shape! Do you want to accelerate your mastery of the guitar? Are you stuck in the box and want to branch out? Do you want to add more variety and a more personal touch to your music? Buy this book to UNLOCK the full fretboard using ONE full-octave scale shape and a new perspective on how you learn and view scales. The main purpose of this book is to teach the theory required to improvise and play freely, build scales and understand why certain things sound good or bad in music. This doesn't necessarily require you to learn a single note name, although for the best results you should set about learning the notes of the fretboard in standard tuning (or whatever you tune to most if you don't use Standard E). This book will teach you: What intervals, scales and modes are, how to apply them and how they relateHow to build scales from scratchThe fundamentals of music theory in a way that can be related directly to the fretboardTechniques to sound more professional and listenableThe importance of dynamics in music and how to control them for best effectHow to vastly accelerate your mastery of the guitarand more.From the author: Hi, my name is Glen. I've played guitar since my early teens and I have spent many years immersed professionally in the music trade, spending a long time working in musical equipment retail. Over this time I have learned a lot about playing guitar and have had a great insight into the common issues and struggles that guitarists face as...
