## The Politics of Trade: The Role of Research in Trade Policy and Negotiation

By -

Hotei Publishing. Hardcover. Book Condition: New. Hardcover. 352 pages. Dimensions: 9.3in. x 6.2in. x 1.0in. The rising era of post-paradigmatic wars in the field of international trade has narrowed ideological differences making policy more porous to independent research. But whose ideas matter When And how do actors make them matter Why are some of the ideas that circulate in the research-policy arenas picked up and acted on, while others are ignored and disappear Is demand-driven research most likely to effectively influence policy The episodes of trade policy change and negotiations included in this volume show the growing relevance of commissioned research in increasingly contested settings designed from the beginning to support a particular cause- research not as independent truth waiting to be hooked, but as instrumental and supportive to policy decisions taken on other grounds.
