A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Nurse s Life in War and Peace The charm of these letters, it will at once be found, depends upon their simplicity, their artlessness, their obvious candour. They present a plain, untinted account of a nurse s career, of the difficulties she has to face, and the problems she has to solve. Those who wish to know something of a nurse s life and times will find in this writing a convincing narrative, unemotional and matter-of-fact. This is no small merit, since the record of nursing experiences is apt to be blurred by exaggeration or made nauseous by sickly romance. There is pathos enough in the sick-room and in the presence of death, but those who come in touch with it would do better to hush the knowledge in their hearts, rather than to proclaim it on the house-tops. Apart from this, the world must be a little weary of the astute sick child who lisps melodrama into the ear of the kind nurse, as well as of the bizarre aphorisms of the dying tramp. The faults of management and lapses of discipline which crop up incidentally in the story are now matters of the past, and are no longer to be found in either the Children s Hospital or the General. The novice who is entering the profession of Nursing will find in these letters a sensible and exact view of the prospect that lies before her.
