Filesize: 5.8 MB

Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.
(Dr. Benjamin Lakin)

BREASTS OF DOOM: SADDEST STORY EVER TOLD

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a sad story, with a somewhat touching folded ending. It tells of a nameless newly married village girl, coerced into coming to the city with her husband to do menial work during the dry season. With a successive sequence of unending cruel happenings to this young maid, the tale handles a flawed state of nationhood and highlights the aging nation s very own silent relationship with its own people, and their disdain for what made them anything special. It hints of their never ending and never ever accomplished ulterior desire to be something else, other than what they really are; mainly a country still failing at forging a statehood for itself. The tale draws parallels with an ailed Nigerian federation as the young lady is starved by her husband and tricked into being raped by a night watchman. Her husband finds out and beats her, before he mysteriously disappears amidst a bloody civil unrest. Then the watchman is accidentally killed. She is lost in the huge city, begs for alms to feed, sleeps everywhere in the open and became friends with a madman. She discovers she is pregnant and couldn t return to her village, without her lost husband and visibly pregnant for someone else. Still, she hopes she could return someday. She learns her father disowned her and her mother killed herself rather than live with the shame she had caused. She painfully lost a helpful couple in an accident and had to live in a whore house because no one else would rent her a room. She got robbed of everything she owns and raped yet again, late into her pregnancy. Right then, she...
