No patriot of the American Revolution, no citizen of the Republic, is as little known, nor is there such meagre material in manuscript or printed book, concerning any individual in American history. He has been likened to a meteor, flashing across the universe, and in his brief career of scarce half a dozen years small record is left to us of his movements and activities during this brief period of time. Coming out of the vast unknown, he flashes the light of his being upon the world, and fades away into an obscurity and a darkness more intense than that from which he emerged. A remarkable figure in the early history of a great Southern state, we know less of him now, than was known in the year of 1776, when in Philadelphia, he signed the immortal document, that makes his name endure for all time. We are informed by a writer in the Encyclopedia Britannica that Gwinnett was born in England in 1732 and was a merchant in Bristol. Harper s Cyclopedia of United States History says he was born about 1732. A Philadelphia publication declares that Button Gwinnett was born in Wales. His surname is no doubt of Welsh origin, being almost identical with Gwynnedd, which at once recalls to mind the famous Welsh king, Owen Gwynnedd. About...
