Createspace, United States, 2012. Paperback. Book Condition: New. 200 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.The book is meant to be a fast read with tips you can use immediately. It s purpose is to teach you how to build a Web business that earns $5,000 to $10,000 a month or more. The book stems from my seventeen years as an Entrepreneur building Web businesses that work. The book shows how I ve built my businesses, how I set them up to only take 10 hours a week to run and how I run my marketing campaigns so that the majority of them are successful. What is Web Fluent? Being fluent in Web business means you understand the fundamental truths about how to create something genuine-as well as earn money with it. If you re Web Fluent, you know that 50 connected Facebook Fans are more powerful than 5,000 casual Fans or even 50,000 casual Twitter followers. You know to focus your efforts on one important goal that you have compelling passion for and happily ignore the rest. You know that starting something brilliant doesn t mean you need a brilliant idea.you just need a good idea to start and then you can turn it into something brilliant along the way. You know that spending more than an hour researching keywords for your brand is a waste of time. You know it s better to do one amazing blog post a month than ten good ones. If you re Web Fluent, you know that blogging is one of your best friends, both for connecting with others and focusing your thoughts. You know that if you re an entrepreneur you need to learn the blogging platform yourself or a web design program to start...
